Hi Greg-

I received a summons yesterday for the [REDACTED] case which states that it is scheduled for trial on Jan. 31, 2011, not Jan. 13, 2011. Which is it? Also, I realize that you may not be the ADA still assigned to this case (I don't recognize the initials on the summons), but if you know who I should be contacting from now on about this case I would appreciate the info. Thanks.
